

## DISINFECTANT WET WIPES - C853

Non tainting sanitising surface wipes

**DISINFECTANT WET WIPES** are fast drying disposable wipes for rapid surface sanitising and light duty cleaning.

### FEATURES

- Convenient disposable wipes provide rapid surface disinfection and light duty cleaning.
- Contains alcohol and active biocide.
- Fast drying with no residue or taint.
- No rinsing required.
- Broad spectrum activity.
- Cleans and sanitises.
- Tough absorbent lint free wipe avoids snags and tears.

### APPLICATIONS

Disinfectant Wet Wipes are intended for use in catering outlets, educational establishments, hotels, industrial canteens, nursing homes, public houses, residential homes, restaurants and social clubs.

### DIRECTIONS FOR USE

1. Use as supplied.
2. Remove lid and feed centre wipe through lid opening.
3. Replace lid and tear wipes off as required.
4. Simply wipe over the surface and allow to dry.
5. Heavily soiled surfaces may require a second application.
6. Ensure centre cap is closed when not in use to maintain product freshness.
