

## VINYL & QUARRY - C545

Premium pine fragranced floor cleaner

**VINYL & QUARRY** is a highly effective pine fragranced floor gel designed for the cleaning and maintenance of vinyl, linoleum, terrazzo and quarry tiled floors.

### FEATURES

- Vinyl & Quarry has been specifically developed for routine cleaning and maintenance of vinyl, linoleum, terrazzo and quarry tiled floors.
- Contains pleasantly scented natural pine oils to freshen treated areas.
- May be machine buffed to a shine.
- Concentrated formula offers excellent dilution rates and economy in use.
- Removes dirt, debris and scuff marks from floors.
- Non caustic formula will not damage aluminium fittings and galvanised surfaces.

- Easy mop low foam formula.
- Provides an even streak free finish.

### APPLICATIONS

- Use to clean and freshen vinyl, linoleum, terrazzo and quarry tiled floors.
- Ideally suited for application to floors in toilets, washrooms, showers, changing areas, corridors and other communal areas.

### DIRECTIONS FOR USE

1. Dilute gel at 1:80 with warm water and apply by mop and bucket.
2. Wring out the mop and wipe up dirt and excess fluid.
3. Allow to dry.

For machine application apply diluted with at least 80 parts water, spray lightly onto the surface and buff dry.

NB: Do not apply to floors treated with acrylic polish as the Vinyl & Quarry may begin to remove the polish film.
